DEAR Jim;

Thank you for your
prompt letter & for filling
us in on the "C & N." program.

On the assumption that
I can convince at least
a dozen observers to commit
themselves as contributors to
this program may I have
at least (12) twelve C & N
forms #2.

I believe I fully understand

The system to be used and if
you find the Christmas season
is curbing your time wait
until things have quietened
down a bit

Thanks in advance

Sincerely,

Stew Buntain.
