Dear Mr. Buntain,

Thank you for the letter and observations of May 8. I am sorry that I was unable to answer sooner, but I was busy working on the display of the Comet and Nova Section for the meeting in Edmonton. Your Centre was well represented in the C & N display. Of the five boards I made for the whole C&N programme, one full one represented the Hamilton Centre.

Best regards to you and your Centre, and I hope that you keep up the good work.

Yours truly,

Jim Low
