

411 Brixton Avenue

St. Lambert, P.Q.

November 19, 1962

Dear Mr. Buntain,

Thank-you for the latest reports of C & N searches. The R.A.S.C. has an active Comet and Nova Section now, and is still growing.

I hope to attend the General Assembly of the R.A.S.C. in Toronto during May, 1963. Perhaps we will meet each other at that time.

Best regards to you and the Centre

Yours truly,

Jim Low
