Dear Dr. Scartliff,

Thank-you for your
letter of 31 March reporting
your observations of Comet
Ikeya.

Would you or other
members of the Winnipeg Centre
be interested in making
systemmatic searches for
Comets and Novae? If so,
let me know, and I will
send you detailed information.

Did you see the nova
yet?.

Best regards to **you**
and the Centre.

Good observing,
Jim Low
