Dear Mr. Dickinson,

Here are Nova Herculis
Observations I received during
the month.

Mr. H. W. A. Maclean, Niagara Falls
for October:

1 9.5	2 9.5	5 9.4	6 9.3
8 9.4	9 9.4	10 9.3	11 9.2
12 9.3	13 9.2	14 9.3	15 9.4
16 9.3	17 9.3	21 9.5	22 9.4
23 9.4	24 9.4	25 9.4	26 9.4
29 9.4.			

My own observations for October
for the Nova are:

25 9.2	31 9.3.
--------	---------

Although I do not travel
around, I am a shift worker and
find that I cannot observe on
many clear nights.

Best regards and good
observing,

Jin Low
