November 7, 1965

Dear Miss Deck,

Thank you for your letter & new membership card. I was beginning to wonder if my money order had been received.

Please credit me ahead on my dues, if you will. In this way I can feel sure of receiving the benefits of the Society for a while longer than the year only.

I am also extending thanks for the additional copies of the Journal that were sent. These proved to be valuable to me as I had wondered about meteoric origin of some lakes in North America and found this material really interesting. I am certainly finding the Handbook to be a source of knowledge on some things that have previously been scarce, particularly of Uranus & Neptune and the asteroids. Your first
