Planétarium Dow. Don de la Brasserie Dow/ Ville de Montréal. L'un des plus modernes monde.

Dear Jim,
David Fawcett has agreed to copy the Comit's Nova Scotia reports into our binder. In fact, he began last Wednesday. He seemed pleased to be asked and will be thoroughly dependable. Who knows, he might become the Comit's chairman. He is a bit shy though so I won't push him. Anyway, the problem is taken care of for the present.
Dahl Williamson
