My Dear Jim,

To make sure you won't hate me for the rest of your life... I'm sending you the money I owe you... plus 40% interest... not too bad.. AH! AH!

Here are my two first observations of Comet Kilsten 1966b I made at 2:00 E.S.T. on Aug 13 and Aug 14... 1966 to night is cloudy so no observation that's why I'm sending you the following

1966 E.S.T.	R.A. 1855	DEC. 1855
Aug 13 at 2:00	17h 51m 5s	+ 19° 66' N
Aug 14 at 2:00	17h 51m 18s	+ 19° 32' N

I hope these will be useful for you... and let me know if you want me to send you some more of my observations.

Thanks again for your 50¢ in Winnipeg. Hope to hear from you pretty soon...

Sincerely
J. Matte
