Dear Jim.

Thank you for your very prompt reply and all the material. The rest of the forms arrived this a.m.

I find my ideas are a little ambitious (to put it mildly) especially for Navar search, so I will follow the general programme outlined by you, and will let our members choose their own 10" x 10" areas and I hope we can put the report forms to good use.

Thank you again for your interest & help.

Yours sincerely
John Howell
