

Sir Adam Wilson

Dec - 2 - 90

Spalding Crescent  
2nd Decr/90

My dear Sir

I think I shall not be able to attend the meeting of the Society this evening.

If it is agreeable to the gentlemen present I will be very much pleased to have the next meeting at my place - and pray renew my invitation to the gentlemen I mentioned in

my former wish to drop up  
here some night, if they  
can make it convenient  
to have a little star gazing  
when the night is likely to  
be clear enough for the  
purpose. It will be quite  
a pleasure to have them  
call, and come yourself  
also

Yours truly

Adam Watson

Lt. Howell Esq.
