Dear Mr Lumsden

I beg to thank, through
you, the Astronomical and
Physical Society of Toronto
for their handsome gift

1892
A. W. Clerk

of fifty copies of my little
Paper on Nova Aurigae, and
you personally for the skilful
correction made to it at my
request, as well as for your
cordial note of Aug. 12.

Believe me to be

your's faithfully

Agnes M. Clarke
