RE: ROYAL ASTRONOMICAL SOCIETY - JULY, 1995

Dear Mr. Mc Dermott:

As Mayor of the City of Windsor, it is my genuine pleasure to extend a warm invitation to the Royal Astronomical Society to convene in Windsor in July, 1995.

Windsor provides a truly unique international setting with an excellent array of hotel and conference facilities and an abundance of excellent dining, shopping and entertainment establishments. Needless to say, we're quite excited about the recent announcement on the Casino project - a feature which we anticipate will create interest and increase delegate attendance of future conventions.

We feel confident that you will find here, in Windsor, all the facilities and amenities which make a host City desirable. Please rest assured that we will do everything we can to make your conference a complete success.

Sincerely,

Michael D. Hurst,
Mayor.

RE: ROYAL ASTRONOMICAL SOCIETY - JULY, 1995

Dear Mr. Mc Dermott:

It was a delight to hear of the possibility of the Royal Astronomical Society meeting in Windsor in July, 1995. I have prepared an informational package which should be of assistance to you in planning your activities.

The Bureau's volunteer force, the Ambassadors of Tourism, is experienced and well-versed on our attractions and local history. They can assist with registration, greet your delegates at a Hospitality Desk or act as step-on guides for tour excursions.

Should you confirm Windsor as your 1995 destination, I'll be happy to assist you with tour itinerary planning, media releases, provide you with complimentary parking passes for overnight/out-of-town guests, supply you with promotional brochures, entertainment or speaker sources, theme ideas, etc...

I hope we will have the opportunity to work together and to show your participants what our City has to offer!

Kind regards,

Francine Chick,
Convention Co-ordinator.

OVERVIEW

Delegates will be lodging at the University of Windsor, although there are many nearby motel for those who choose that direction.

Meals are also supplied by the University, with many nearby restaurants to choose from.

The Windsor Centre will be working with the Essex County Convention Bureau for lining up the tours throughout the County.

Fireworks, the largest in North America, is of course subject to change because of rain, therefore, the Wine and Cheese Party and Fireworks are interchangeable with each other

The Royal Astronomical Society of Canada

Windsor Centre

July 2, 1993

Dear Members of the RASC Council :

On behalf of the Windsor Center of the RASC, I put forward a bid to for the Windsor Center to host the 1995 General Assembly. This being our 50th year in the RASC, hosting the GA would help add to this special year .

Since a special resolution was passed last year, to allow the Windsor Centre to bid, we have looked forward to the honour of our bid being accepted. It has been a while since the RASC has held a G.A. in this region of the Country.

The Festivities would commence on June 28 through to July 2. Lodging and talks will be at the University of Windsor, only five minutes from downtown and two blocks from the Detroit River and Detroit skyline.

Windsor and Detroit celebrate the holidays together with the Freedom Festival consisting boat races on the river and the largest Fireworks in North America, (second only to the Statue of Liberty Celebration a few years ago). Downtown Windsor has a carnival with things for all ages to enjoy.

Tours in the works are Point Pelee, the most southern national park (even in latitude with N. California), a tour of a winery, a possible tour through a car plant and Fort Malden, a British stronghold in the War of 1812.

The Windsor Centre looks forward to sharing and celebrating its 50th Anniversary with RASC.

Sincerely,
