How to find your member number

Looking to register but can't find your member number? Here are some steps you can follow to find it!

1. Visit secure.rasc.ca.
2. Sign in using the email and password associated with your RASC account.
3. Click "My Account" under "Member Area"
4. Your member number will be the 5-digit number listed just below your last renewal date.

If your password isn't working, that could be because you have not accessed secure.rasc.ca since before May 3, 2021. If this is the case, try doing a password recovery as described [here](#).
