

# 'Twas the night before the GA

'Twas the night before the GA,  
And The RASC National team  
Were all abuzz with excitement  
for the events, each day would bring.

All plans had been made  
With thought and with care  
In hopes that the events would be engaging  
For all who'd be there.

There'll be a day for the youth,  
We'll talk about Mars,  
With plenty of speakers  
To discuss the stars.

We can't wait to see you  
All looking so bright.  
Have a good time.  
We wish you all a great night!
