THE ROYAL ASTRONOMICAL SOCIETY OF CANADA

252 COLLEGE STREET TORONTO 2B, ONTARIO

9 March, 1960.

Mr. Gustav A. Bakos,
Moonwatch Project,
Smithsonian Institution,
Astrophysical Observatory,
60 Garden Street,
Cambridge 38, Mass.

Dear Mr. Bakos:

Mr. Kennedy asked me to thank you for the copies of your Special Bulletin No.39 and the Ephemeris sheets. These are being distributed to our Centres.

As you know we have 14 Centres in all, and there were only 9 of the ephemeris sheets enclosed. We presume others will be coming along in the future so would you be good enough to send 14 copies?

We might mention that we do not send information to the David Dunlap Observatory or the Dominion Astrophysical Observatory and suggest that you put them on your mailing list if you have not already done so.

With kindest regards,

Yours sincerely,

Marie Fidler

Marie Fidler,
Executive Secretary.
